CYCLE ACCESSORY CATALOGUE

1956

AT YOUR CYCLING SERVICE

Every cyclist looks forward to receiving a copy of Currys' annual Cycle Accessory Catalogue. It provides in handy form a complete reference to a full range of cycle accessories of the very finest quality at the keenest possible prices.

Cyclists are never far from a branch of Currys. There are more than 265 throughout Great Britain and every one of them is at YOUR cycling service, not only to supply the superior value merchandise shown in this catalogue, but also to advise you on all your cycling problems.

Whether you cycle regularly for health or pleasure, whether you are a keen clubman, or just a work-a-day cyclist of sheer necessity — you will always find a courteous welcome at Currys.

So make a point of keeping this copy of Currys' catalogue in the pocket of your cycling jacket or touring bag.

It is YOUR guide to better cycling service . . .

★ POSTAL SERVICE

All merchandise shown in this catalogue may be purchased through Currys' postal service. Just send a postal or money order to the value of the goods required, (plus 1/- in the pound for postage) to :—

Currys (Ref. E.S.),
Mail Order Service,
Whitfield Street,
Newark, Notts.

*Prices were correct
at time of publication
but are liable to
change from time
to time.*

Please give full details of article(s) required and make sure that correct size(s), where applicable, are clearly stated.

**265 BRANCHES
THROUGHOUT
GREAT BRITAIN**

Full list of addresses of all Currys' branches appears at the end of this catalogue.

Sturmey-Archer GEARS, HUB-DYNO UNITS & SPARES

Sturmey - Archer

We illustrate here an "exploded" diagram of the famous Sturmey-Archer Model AW Wide Ratio 3-Speed Hub which sells complete with top-tube or trigger control at **44/6**

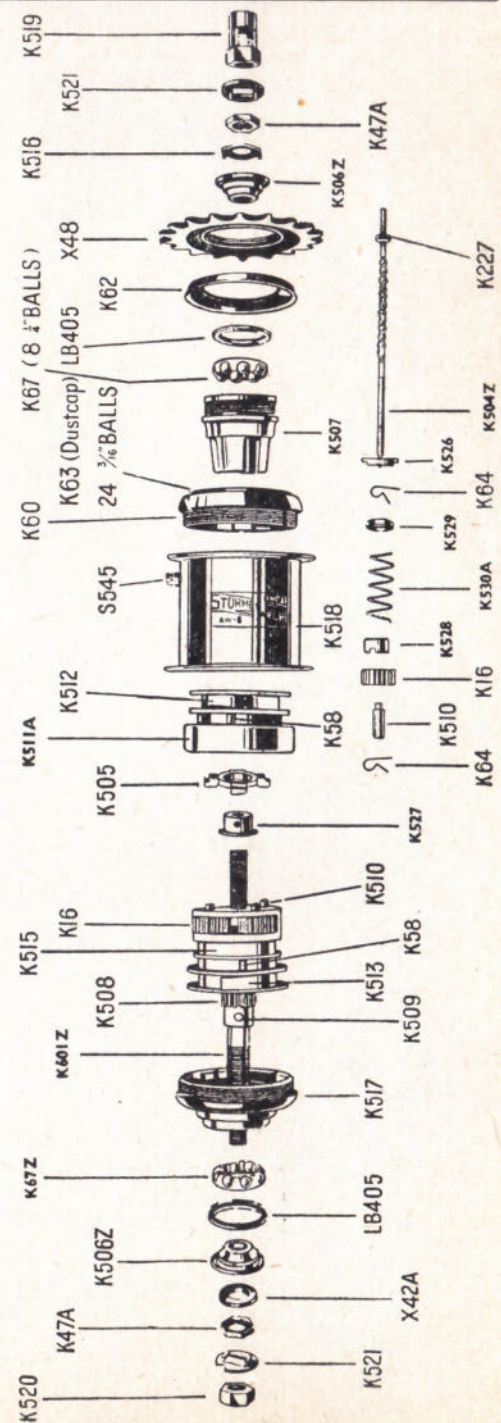

All CURRYS' Shops maintain a comprehensive stock of the small parts which are used in the assembly of this and other Sturmey-Archer Hubs. Should you have the misfortune to lose, or damage any of the parts which make up the hub of your cycle you can rest assured that CURRYS are able speedily to replace them. All you have to do is to quote the part number shown in the diagram. Should your hub not be a Model AW further similar diagrams of all Sturmey-Archer products can be seen at your local CURRYS' branch.

PHILLIPS
Gadabout

PETROL
 CONSUMPTION
 180 m.p.g.

From the stable of one of the largest cycle factories in the world comes this entirely new powerful Phillips Moped. With the very latest 49 c.c. Continental engine, self-sprung front forks, built-in lighting, electric horn and a pressed-steel frame of exceptional strength, it is right in the front of the Moped market. Other deluxe features include prop stand and luggage carrier, luxury sprung saddle. Finish in polychromatic red enamel, the Phillips "Gadabout" is a real winner.
