MODEL D.

The Gazelle Cycle Co. Ltd. has pleasure in placing before you in this list a comprehensive range of models, each fulfilling a definite need at a price which will make it possible for nearly everyone to own a bicycle.

A study of the specifications will make it apparent that nothing has been spared to make these machines particularly attractive and well adapted for the purpose for which they will be used.

The finish is of superior quality, special attention having been paid to the rustproofing of all parts before the enamel is applied, and all bright parts are beautifully chromium plated, resulting in a finished bicycle of marked appeal and extremely serviceable in use—one which you will be proud to own.

THE CYCLE WITH THE
