B.S.A.

"TRIPLE STAR" BICYCLE

modern

**in Design, Specification
and Finish**

The B.S.A. "Triple Star" Bicycle.

Here is a new B.S.A. model with a very definite appeal to all sporting cyclists—a machine which offers the very latest in modern Bicycle design, specification and finish. It is a short wheelbase model, distinctive in finish, and with a high-quality specification which includes such features as frame of Reynolds 531 Tubing, B.S.A. lightweight hubs, unit free wheel, B.S.A. 5-pin detachable chainwheel, Cyclo Gear, etc.

The B.S.A. Triple Star is available in four colour finishes. The standard finish is special B.S.A. duo-black-and-white, with smart peaks and attractive transfers.

If you prefer a coloured machine the frame and forks can be enamelled red (as illustrated), blue or green at an extra charge of 7/6.
