**THE COVENTRY EAGLE CYCLE & MOTOR CO.**

ST. PATRICK'S ROAD

**COVENTRY**

# Introduction

IN the following pages we illustrate and describe our comprehensive range of models for 1924.

A machine is offered for every cycling requirement and each machine is the best that skill, foresight and efficiency can give to the lover of cycling.

Our standard of quality has never varied, and the name Coventry-Eagle in connection with cycles is recognised as being equivalent to "best."

In materials, design and finish, the 1924 models leave nothing to be desired and they are offered at the lowest possible prices.

Special  
Carrier  
Model

*Guaranteed 10 Years.*

Q U A L I T Y F I R S T

Coventry-Eagle

## TRADESMAN'S CARRIER.

GUARANTEED 10 YEARS.

This Carrier-Model has demonstrated, in a very practical manner, that it can more than hold its own against the numerous other makes now widely used by tradesmen for local deliveries. It is a strongly-built machine, strengthened to receive and withstand a degree of shock and strain which would quickly wreck many ordinary machines. A long life of useful service is what a buyer wants and it is just that which this Model assures to him.

### SPECIFICATION.

FRAME: 23" only. Specially selected weldless steel tubing of heavy gauge and reinforced with liners where necessary. The best that modern skill can produce. FRONT FORKS: Exceptionally strong, graduated sides, with special heavy gauge butted Steering tube and machined Box Crown.  $\frac{3}{16}$ " Balls to Head. WHEELS: 26" x 1 $\frac{3}{4}$ " heavy gauge Westwood Rims and extra strong gauge spokes, nipples and washers. CHAIN:  $\frac{3}{8}$ " pitch roller. HANDLE-BAR: No. 4 Raised, as illustrated. FREE WHEEL: Specially strong clutch as used on Government cycles; very reliable. BRAKES: Front and back rim brakes with heavy roller levers, specially designed for hard carrier wear. Levers fastened to brazed lugs on handlebar. CRANKS: 6 $\frac{1}{2}$ ", of specially toughened steel for hard Carrier wear. GEAR:

61", with extra strong chain wheel. PEDALS: Extra wide with strong end plates and large balls. Dust caps secured by bolts holding pedal rubbers. Very strong and serviceable. SADDLE: Middlemore M66, particularly strong for Carrier use. MUDGUARDS: Extra wide and specially strong for Carrier use; easily detachable. TYRES: Genuine Clincher Carrier. CARRIER: New and improved design, with strong square basket, as illustrated. NAME-PLATE: As illustrated. Lettered both sides free. FINISH: Brilliant black enamel all over on rust-proof priming. No plated parts whatever. The machine can be washed down with a hose and after being dried with a soft cloth looks like new. ACCESSORIES: Inflator and clips, tool bag, oilcan and spanners free.

## PAYMENT OUT OF INCOME.

THE modern method of payment out of income has proved a great boon to many cyclists who might otherwise have been compelled to continue to trudge along on "shanks' pony."

The terms we are at present able to offer brings cycling within the reach of all.

Any Coventry-Eagle Pedal Cycle may be paid for on the easiest of easy monthly payment terms, which are given under the cash price with each model.

A special application form may be obtained free, on application to any of our authorised agents, and this, when handed back to him with deposit, is forwarded to us.

The application and particulars given are treated as strictly private and confidential and when the application is proved and accepted and the usual form of agreement signed, we promptly instruct our agent to deliver the machine selected from his stock, or we send the cycle chosen direct from Coventry.

In either case it is delivered to the customer free of all railway charges, the hire purchase price being the total amount payable by the customer.

If for any reason the order is not accepted, the deposit is returned in full without any deductions whatsoever.

The same guarantee, for either 10 years or perpetually, applies to all models as in the case of cash payment.

*Please ask your agent to write us, or write direct for easy payment application form.*

Q U A L I T Y F I R S T

## CYCLING FOR HEALTH AND PLEASURE.

EXERCISE is regarded by many as being just a necessary evil, and how to take just enough to keep one physically fit is a problem that engages quite a lot of attention.

All are not able to definitely allocate any part of their time to health giving exercise.

For these, cycling represents the ideal solution to their problem and the way to increased health and enjoyment of life.

The cyclist can ride when he pleases, where he pleases, at the speed he pleases and as long as he pleases. The amount, nature and extent is governed entirely by his own desires.

He can visit any part by the most pleasant and picturesque route and taste to the full the joys of the open road.

Even the spin to and from business has a beneficial effect upon one's physical well-being,

The cost of running is less than the cost of tram or 'bus fares, the annoyance of the missed means of transport is eliminated and a means of spending any spare time pleurably and with benefit, is always at hand.

Get the cycling habit—it is a real aid to that efficiency which comes from physical fitness and mental alertness.
