This model is foldable for easy storage and comes supplied with two seat adaptors for simple transfer from bike to bike. Available in Blue/Purple.

WARRANTY

Should any original component incorporated prove defective - in terms of material or workmanship - within its warranty period, Falcon Cycles will replace it.

The warranty periods for components are as follows: Rigid frames and forks:- Life time warranty. Suspension frames and forks:- 1 YEAR. All other components:- 1 YEAR from date of retail purchase. This warranty does not include labour and transportation charge. The company can accept no responsibility for consequential or special damages. This warranty applies only to the original purchaser who must produce proof of the purchase in order to validate any claim. This warranty applies only in the case of defective components and does not cover the effects of normal wear or damage caused by accident, abuse, excessive loads, neglect, improper assembly, improper maintenance or the addition of any item inconsistent with the original intended use of the bicycle. No bicycle is indestructible and no claims will be accepted for damage caused by improper use, competition use, stunt riding, ramp jumping, leaping or similar activities. Claims must be submitted through your retailer. Your statutory rights are not affected by the foregoing. Our bicycles conform to BS 6102/1 as set by the British Institute Testing Services. We reserve the right to change or amend any specifications on this brochure without notice. All information and specifications on this brochure are correct at the time going out to press.
